Credit Card Expense Report

Top 5 Expense Categories

Top 5 Expense Categories

This report highlights the top 5 expense categories based on the total spending

from credit card transactions. Understanding these categories can provide

insights into consumer behavior and spending patterns.

The following trends are observed:

1. **Category Dominance**: Certain categories typically dominate total spending.
2. **Budget Allocation**: Analyzing the percentage contribution helps businesses and individuals

   to budget effectively.
3. **Behavior Insights**: Identifying high-spending categories may indicate consumer preferences

   and trends over time.

The table below presents the top 5 expense categories along with their respective total spends

and percentage contributions to the overall spending.
